Hi Juha,

Here is your personal invitation to the ISATE 2021 virtual platform, which you can use to join the conference.

On the platform, to update your personal information, please click on the icon on the top right corner with your initials. You can add your photo, organisation, country and contact information:

- click on the icon with your initials
- choose "my profile"
- edit profile -> personal information (remember to save)

**Few tips to get the most out of the conference:**

- A functional internet connection is essential for virtual events!
- We recommend that you close all other applications on your computer to make sure the full capacity of your Internet connection is available.
- Browser: the latest version of Chrome is recommended for the best experience.
- Sound: Headphones will provide you with the highest quality audio in virtual events.

If you have any questions or problems with signing in, please contact [info@aboaservices.fi](mailto:info@aboaservices.fi)

Wishing you a great conference!

**Log in to isate2021 workspace as Juha Kontio**

Best regards  
ISATE 2021

# 6. Chair responsibilities

- Session chairs are mostly committee members and colleagues from Turku UAS
- Guidelines for sharing the sessions were sent yesterday to all chairs
- Remember to check out the submissions of your sessions beforehand (abstract, pre-recordings)!
- We prefer that you use the conference background in zoom (see next slide; downloadable from Howspace/sent via email)
- Duties are a bit different depending on the type of the session

- General guidelines to all chairs
  - Helpdesk, If you have any technical issues using the event platform, please write them in the **helpdesk chat** on the front page. We will get back to you asap. **Technical support** will be available during the sessions.
  - Before the session, please **check that your name is written with English letters** in the Zoom.
  - Please **arrive 15 minutes before** the session in the Zoom to check the connection and technicalities. We recommend that you close all other applications on your computer to make sure the full capacity of your internet connection is available.
  - When opening the session, please **remind** presenters and participants that each track of **sessions will be recorded**, and videos will be available after the conference in the conference platform until August 30th. After that the recordings will be destroyed.
  - When closing the session, please remind presenters and participants **possibilities to continue the discussion** in the sessions-rooms or Networking area of platform, e.g., in lounges or chat rooms.
